Introduction

I'm a Baltimore-based web developer with a passion for helping nonprofits and socially responsible organizations.

I design and develop web-based solutions that allow organizations to more effectively promote their cause and drive real change.

Relevant Experience

Freelance Web Developer - Baltimore, MD Jan. 2016 - Present

- Static site and web app development (Jekyll & Hugo)
- WordPress development & site maintenance
- End-to-end project management (e.g. scoping, creative strategy, wireframes, mockups, prototypes, launch, etc.)

Account Manager - Jellyfish - Baltimore, MD Feb. 2016 - Present

- Manage reporting, communications, and day-to-day tasks for digital marketing clients

Co-Founder - Tribe Interactive, LLC - Bay Area, CA May 2014 - Dec. 2015

- Oversaw all areas of digital marketing
- Contributed to design and development projects as it pertained to scoping, time & budget management, internal resource management, client communication, testing & QA, and project launch

Education

Nebraska Wesleyan University - Lincoln, NE 2003-2007

- Bachelor of Arts, Communication
- Minor, Public Relations
